Dear Oakdalian,

I feel delighted to share with you our chronicle for the session 2024-2025 and welcome all the students to a new beginning. Our continuous endeavour has been; as from past 17 years, to keep changing, innovating & improving the school think-tank to improve the overall personality-development of our Oakdalians. We aim to provide innovative channels & platforms (like academic competitions, swimming, trips & excursions, sports & games, seminars, digital learning etc.) to our students to showcase their various creative talents and also encourage them to explore new horizons & their hidden talents.

I am sure all the parents would appreciate this opportunity provided to our students to help them outshine in their own way covering not only academics but all co-curricular and resourceful activities.

We are proud of the teaching & learning imparted in this institution. We expect our Oakdalians to acquire maximum skills and motivation to become independent learners through the various forums available to them for the honing of their inherent skills and talents.

Oakdale School has been putting in best of the efforts to acknowledge parents and students with the curriculum of the whole session. Oakdale also makes it very convenient for the parents by sending circulars regarding any change or update in the schedule or any other event.

All the best for the session 2024-2025!!
